Company Proposes to Construct Subway at Once; In Use in 1927

A number of transportation line extensions are contemplated which will be of immediate benefit to West Englewood and vicinity.

Recent recommendation of the committee on local transportation of the city council, for 17.43 miles of street car line extensions, include the extending of the Western ave. line from 71st to 75th sts., 59th from Kedzie to Central Park, 67th from Western to California and Robey from 63rd to 69th.

Local bus lines, conducted by the Chicago Motor Coach company, will be extended if the Illinois Commerce Commission grants applications which were made last week by the company. Although not reaching as far south as might be wished, the extensions will be a material improvement over the present system.

The contemplated extensions will include one on Loomis blvd. from Marquette rd. to 71st st., on Normal from Marquette rd. to 72nd, and on South Park ave. from 60th to 79th sts.

Subway Now?

Although it has not been made public just how far south the line is planned to extend, the subway plan which has been laid before the Mayor and the City council by the Chicago Municipal Subway company, will be of interest to local residents. If plans are approved, the company promises to begin construction immediately and have portions of the subway in use by 1927.

"The congestion in Chicago streets is a handicap to business and the development of the city," said Edwin D. Wheelock, of the company, in a recent talk before a gathering of Englewood business man. "With our present means of transportation the Chicago Beautiful plan is impossible. Thirty years ago the elevateds were the last words in transportation but now they are antiquated because of the noise they make.

Busses Replace Street Cars

"The coming methods of efficient and rapid transportation are motor busses and subways. In Boston the tracks are being paved over and busses have taken the place of the street cars. We have made a great stride forward in securing motor bus routes, but we still lack the most efficient form of transportation. New York, Paris and London have adopted the subways and Chicago should be the next city to install it.

"Elevated roads are noisy and lower land values along the streets where they are. Street cars are noisy, slow and unsafe ' it subways are fast, yet silent.

"Mayor Dever has now the plans of the Chicago Municipal Subway company, which call for the installation of fifty miles of subway to be in operation in 1927 if the construction is started before 1924. The subway will be city owned and will be self-supporting. There is $37,000,000 in the traction fund and this amount, together with the backing of the city bankers, who are interested in the project, will take care of the financing. The success of the whole plan depends upon the action taken by the city council. If you are desirous of improving transportation, take the question before your alderman."

Mr. Wheelock explained that the Chicago Municipal Subway company has made arrangements with ten construction companies to work simultaneously on the project. The financing will be done by funds drawn from the traction fund and through the backing of Chicago banks that have enlisted in the plan.

A committee of five engineers, three representing the city, wil be appointed and will make the necessary purchases of materials and supervise the work. The work will be done at cost and to this amount ten per cent will be added as profit for the contracting firms and the Chicago Municipal Subway company.

IMPROVERS TO ELECT OFFICERS DECEMBER 3

Protest against the erection of garages oversize was brought up by the building committee of the Marquette Park Improvement association, of which Mr. Pfister is chairman, at the regular meeting Monday evening at Wessel's hall, 3458 63rd st.

The association went on record as demanding a new school building for the Eberhart district at 65th st. and Sacramento ave. Committees of the organization will meet Monday, November 19, at the home of H. J. Hessell, 6459 Whipple st., to consider the school proposition. W. Darner is chairman of the advisory committee.

The subject of increased school tax was discussed by several of the members at the meeting. All were in favor of it.

An auditing committee, with H. A. Allers as chairman, was appointed to go over the books of the association. A report will be made December 3. At this meeting, the annual election of officers will also be conducted.

LINDBLOM P. T. A. TO ENTERTAIN

The Lindblom Parent-Teacher association will entertain at a bunco party, to which the entire community is invited, in the school gymnasium at 8 o'clock Wednesday evening, November 14. Wednesday's party is the first affair of its kind ever to be given by the association.

A short program, when Harry Keeler, principal of the school, will speak, will precede the games for which prizes have been donated by West Englewood business men. Mrs. E. Heidorn, 5737 Artesian ave., mother of Lindblom's football star, is chairman of the event, with twenty on her committee.

Prizes are being displayed in the windows of the McManamon Furniture store, 1655 W. 63rd st., and at Straus', 64th st. and Ashland ave.

ZERO HOUR FOR "Y" BONUS IS POSTPONED UNTIL LATER DATE

WORKERS ARE "NOT DISCOURAGED" AS AMOUNT STILL TO BE RAISED DROPS TO $44,000

With $44,000 yet to be raised, the Greater Englewood Y. M. C. A. workers have extended their drive for two more weeks.

The $25,000 bonus promised by the main office may still be received. John B. Farwell, president of the board of trustees of the Chicago Y. M. C. A. was so impressed by the earnestness of the local campaigners and the work they have accomplished that he announced at Monday evening's meeting, the last of the daily dinner meetings that will be held at the South Side Masonic temple, 64th and Green sts, that the offer would still be good if the $450,000 is secured by Monday evening, November 19.

A number of prominent men were present In addition to Mr. Farwell, there were W. J. Parker, Chicago Y. M. C. A. general secretary, W. S. Hypes, president of the board of managers of the Chicago association, former Governor Charles S. Deneen, Judge Harry A. Lewis, and E. G. McDougall. The Englewood high school band furnished music.

Regular reports were made, when $13,000 in pledges were totaled from efforts since last Friday's meeting. A request was then made for additional pledges from workers, and over $6,000 was given. When volunteers to continue the work were called for, over 100 men responded. The men went out at 8 o'clock and worked until 10 o'clock, when they reported back to headquarters.

The total of pledges that have thus far been received is $406,000, not including the $25,000 promised from the main office. Headquarters, during the next two weeks, will be at Tegtmeier's store, 6335 Halsted st. It is probable a large meeting will be held the evening of the 19th, although definite plans have not been laid.

VETERANS TO OBSERVE ARMISTICE DAY

Senior Vice Commander-in-Chief Anton Stephan, representing the commander-in-chief, will place on the tomb of the Unknown Soldier, Arlington cemetery, Washington, D. C., a wreath in the name of the V. F. W. at 11 o'clock in the morning on Sunday, November 11. All post flags and colors with the department colors of the District of Columbia have been ordered out for the ceremony and the commander-in-chief requests that every comrade of the V. F. W. and every man, woman and child take a moment at that hour in order to pay respect to their comrades who fell overseas.

Greater Chicago Post No. 866, Veterans of Foreign Wars, and auxiliary of Englwood are arranging ceremonies for next Sunday in a nearby veterans' hospital.

The posts third annual armistice week ball will be held Saturday evening, November 17, at Carpenter's hall, 6414 Halsted st. Cope Harvey's orchestra will furnish music.

TWO WOMEN VICTIMS OF PURSE SNATCHER

Two women, both bearing the same name although not related, were the victims of four purse snatchers who drove through Englewood early Thursday morning in an old automobile.

The thieves began their operations shortly before seven o'clock when one of their number snatched a purse from Miss Josephine Schreiner, 5625 Robey st., as she was walking on Halsted st. near 58th. The purse contained over $5.

A few minutes later one of the thieves wrenched a pocket book from the hands of Miss Emma Schreiner, 6714 Peoria st., just as she had stepped from the door of her home.

Both women told the police that a youth appearing about twenty years old had jumped from the car as it stopped along side of them and, after taking their purses, had joined his companions in the waiting machine.

BURKE VETERANS TO MEET MONDAY

The regular meeting of the Christopher J. Burke Post No. 177, Veterans of Foreign Wars, will be held November 12 at Prospect hall.

Everything is ready for the Armistice Eve dance on November 10, at the Auburn Masonic hall, 78th and Union ave., according to announcement of the committee in charge.

The results of the dance will be announced at Monday's meeting. There will also be initiation and supper, with a social evening.

Elect Officers

The annual election of officers of St. Brendan's Altar and Rosary society was held Sunday, October 27. Mrs. William Buckley was elected president, Mrs. John P. Dineen, secretary, and Mrs. Anna Stewart, treasurer.

MAY GET NEW TELEPHONE UNIT IN SIX MONTHS

Will Have Difficulty Finding Name; Growth of District Is Rapid

A new telephone exchange will probably be installed in West Englewood within six months or a year, according to E. W. Stubbs, manager of the Prospect, Republic, Stewart and Vincennes exchanges.

"The Prospect unit has been filled for the past two years and the Republic unit is fast filling up," said Mr. Stubbs. "We recently gave the number Republic 7900 to the O. M. Zeis Lumber company, leaving only a little over two thousand numbers to fill out the capacity of 10,000 phones. At the present rate of growth, I believe it will be necessary to start construction on the additional exchange in about six months.

"Additional switchboards have been installed in the exchange building at 6318 S. Claremount ave. to allow for the expansion in the Republic unit.

"Now there are nearly 20,000 phones in the district and when the new unit is added there will be facilities for serving 30,000 phone users. This fifty per cent increase in the service will take care of the expansion of the community for several years."

The choosing of a suitable name for the new exchange will be a hard task, Mr. Stubbs intimated. The name Marquette has been offered and business men of the district are desirous of having this appellation given to the unit. However, it can not be used as it will conflict with the names of other exchanges on the dialing system that soon will be installed on all telephones in the city.

In Auburn Park the same problem has arisen.

It is believed that the name of some street in West Englewood will be used as the exchange name, a practice followed in other localities.

ARRESTED CHARGED WITH STEALING TILE

Charged with having stolen twenty cases of mosaic tile from a building under construction at 78th st. and Ashland ave., Walter Siggins, 30 years old, 6324 Mozart st., was placed under arrest by the Gresham police late Monday night.

Eleven cases of the tile were found in the home of Siggins' brother, John, at 3376 Archer ave. Walter Siggins, when questioned, according to the police, made a partial confession and implicated his brother and a third man whose identity Siggins failed to reveal.

The tile, which is valued at over two hundred dollars, was taken Sunday night and the police believe that Siggins, assisted by his brother and the third accomplice, loaded the material in a truck in order to carry it.

Police have been unable to apprehend John Siggins or the third member of the party and to give them time to arrest the thieves, Walter Siggins' case was continued to November 27. He is being held on $2,000 bonds.

MERLE FISHER WILL TALK BEFORE LIONS

In the absence of James Drury, who was scheduled as three-minute speaker at the meeting of the West Englewood Lions club Thursday, E. W. Stubbs, of the Chicago Bell Telephone company, a guest, told briefly of the growth of the telephone business and the plan of installing a new exchange in West Englewood, full details of which are given in another column.

Lineup for Thursday's meeting: Toastmaster, Carl Christensen; silent booster, Al Moore; three-minute talk, Merle Fisher; stationery, O. M. Zeis.

WOMAN AND GIRLS HURT BY TAXICAB

While crossing the Robey and 63rd st. intersection Tuesday, Mrs. Elizabeth Keenan, 6342 Seeley ave., her 18-year old daughter, Margaret, and Margaret Tessler, 10 years old, 6408 Seeley ave., were knocked down by a taxicab driven by John Flynn, 6811 Aberdeen st. Bad bruises and cuts were suffered by all three.

Meet and Marry In Thirteen Days

Engaged on the eighth day after they met and married on the thirteenth. That is the record established by Miss Lena Yanovsky, 1159 W. 59th st., and Joseph Bienenfeld of the West Englewood Linoleum shop, 6224 Ashland ave., when they are married next Sunday evening at 8:30 o'clock at Miss Yanovsky's home. Only immediate families of the two and a few friends have been invited to witness the ceremony.

Joseph Bienenfeld

Miss Lena Yanovsky

Mr. Bienenfeld has been in business in West Englewood for three years and his bride-to-be has lived in the district for about the same length of time, but they had never become acquainted until they met at the home of a mutual friend a little over a week ago. The couple will leave the evening of the wedding for a short honeymoon trip.

The men of St. Theodore's church will serve a supper at the church, Sunday evening, November 11. The public is invited.

ORGANIZE NEW ASSOCIATION FOR DISTRICT

Marquette Manor Improvement Association Elects Ruhle President

A new improvement association for the district was assured when about seventy-five representative residents of Marquette Manor met at the club house, 61st and Fairfield, recently, and elected temporary officers under the name Marquette Manor Improvement association.

The association is a continuation of an improvement organization, bearing the same name, that disbanded in 1916.

At the meeting William Ruhle, 6152 Rockwell st., was elected president, and John McNeil, 6135 California ave., was chosen secretary and treasurer.

"The aims of the organization," said Mr. Ruhle, "will be civic improvement of the community from the home owners' viewpoint. Work will be started toward obtaining necessary street and alley repairs and a more adequate system of street lighting.

"We will consider our district as bounded by 57th, 67th, Western and Kedzie, and hope to secure the cooperation of every resident within those boundaries."

Committees will be appointed, he said, to work for the immediate extension of the elevated lines through the district and for the purpose of presenting the community's claim for ultimate subway service.

The association will meet on the second and fourth Wednesday evenings of the month at the Marquette Manor club house. At this week's meeting organization was to be completed and remaining officers and the board of directors elected.

MEN FIND FAULTS IN MODERN WOMEN

The average man does not have respect and reverence for the average woman of today, according to sixty-one out of sixty-six answers to questionnaires sent to men by the Rev. C. C. Cox of Drexel church. These answers were used by Mr. Cox as the basis for his sermon Sunday evening, the third of a series on home relationship.

Bobbed hair was not criticized, but the men seemed agreed that girls of today are "too easy," too extravagant, and lacking in common sense.

The vote was fifty-one to twenty-two against the theory that business life incapacitates a girl for home making.

RED CROSS SPEAKER AT ARMISTICE SERVICE

W. R. Eddy of the Red Cross, will speak on the service the Red Cross is giving world war veterans, at an Armistice day program held at 7:45 o'clock next Sunday evening at Drexel Park Presbyterian church, 64th and Marshfield. The church choir will render Kipling's "Lest We Forget." Mrs. Bertha Lotta Sorenson, contralto, will be soloist.

$300 FOR INFANT WELFARE

At a meeting of the board of directors of the West Englewood Business District association held Tuesday noon it was determined to appropriate $300 immediately to aid the work of the Southtown Infant Welfare association at Ogden Park.

There was further discussion of the proposition to hire a business manager.

"GOOD CITIZENSHIP OF BOYS EVERYBODY'S BUSINESS"—SCHULTZ

NEW DISTRICT EXECUTIVE ASKS CO-OPERATION OF ALL ORGANIZATIONS

Securing greater co-operation from the various Southtown organizations in Boy Scout work is the task that G. H. Schultz, 7008 Normal blvd., recently appointed scout executive of the Southwest district, has set himself.

"The purpose of the Boy Scout organization is to train boys to be good citizens," said Mr. Schultz, "But it should not be left entirely to us. It is everybody's business. It should be the job of the various women's clubs, the business men's associations, and all similiar organizations. They must realize their responsibility to the boys.

—Telegram Photo

Southwest District's New Scout Executive, G. H. Schultz, in His Office at 304 W. 63rd St.

"As soon as it is possible I will try to get representatives of all the organizations together and sell them on the idea of Scout work. There are means and material in Southtown to make it the leading district in the city for boys and all that remains is to make the people see the responsibility that rests upon them."

A plan, whereby the southwest district will be divided into seven subdistricts, for the purpose of making the work more efficient is contemplated by Mr. Schultz. Each district will have at its head a vice president who will act as an assistant to the executive of the district.

PASTOR BRINGS INTO PULPIT EVIDENCE OF LAW VIOLATION

"DEVER WILL FIND PEOPLE WANT STRICT PROHIBITION ENFORCEMENT," SAYS ALMY

The finding of a quantity of grape mash, that had been emptied within 100 yards of the Marquette Park Presbyterian church at 65th st. and California ave., moved the Rev. L. W. Almy, pastor of the church, to deliver a stirring sermon on prohibition, before his congregation last Sunday evening.

As a concrete illustration of prevalent disregard for the law, the minister took into the pulpit a bucket filled with the mash.

"Prohibition has been ratified by forty-six of our forty-eight states," said the Rev. Mr. Almy, "with a total of over 5,000 legislators voting in favor of it as against 1,000 opposed.

"With only a halfhearted attempt to enforce the Eighteenth Amendment, Chicago, 'the wettest city in the union,' has had its charity cases, due to alcohol, cut down 85 percent; pneumonia and pulmonary tuberculosis and alcoholism deaths have been largely decreased; while New York has had its charity cases for alcoholics decreased 64 percent.

"Mayor Dever should be commended for his efforts to enforce prohibition, but not unreservedly. He says he is not in favor of prohibition, but wants to enforce the amendment with the expectation that the pressure will bring a moderation of the laws. He's all wrong in his motive and will find that strict enforcement is just what the people want."

The minister stated later that his church was "out and out" for strict enforcement of the prohibition laws.

LINDBLOM STUDENTS VACATION MONDAY

Mary E. Courtenay, dean of Robert Lindblom Technical high school, will speak to the students of the school at 2 o'clock, Friday, November 9, in the assembly hall. At this hour a short Armistice day program will be held.

Monday, the Robert Lindblom Technical high school students will have a holiday. This is given on Monday because Armistice day comes on Sunday.

ACCIDENT RESULTS IN DEATH OF MARTIN

Injuries sustained when he fell from the front platform of a 47th st. car at Racine ave. Friday afternoon caused the death of Frank J. Martin, supervising engineer of the Board of Education, in the Michael Reese hospital, Sunday.

Mr. Martin, whose home was at 1209 W. Garfield blvd., was 62 years old and had been an engineer for the Board of Education for 33 years. He was a life long resident of Chicago and had lived in Englewood eighteen years. His father, Patrick H. Martin, was the first shoemaker in Chicago, coming here in 1840.

He was a member of International Union of Stationary and Operating Engineers, the National Association of Stationary Engineers and the Royal Arcanum.

He is survived by a daughter, Mrs. Mary Murphy.

Funeral services will be held Thursday morning from the residence to Visitation church. Interment will be made at Calvary.

HAMILTON WOMAN'S CLUB PROGRAM SUNDAY

The Hamilton Park Woman's club has arranged an Armistice Day program to be given at 3:30 o'clock Sunday afternoon, November 11, at the field house. Preston Bradley will be the speaker for the afternoon on the subject, "Lest We Forget."

Community singing will be conducted by J. Minnena, considered one of the best song leaders to be had.

SING LEE'S LAUNDRY ENTERED BY THIEVES

A huge rock was used in smashing in a panel of the rear door of the laundry of Sing Lee at 1039 W. 63rd st., by burglars who broke into the place Sunday evening.

The thieves ransacked the store and took $60 from the till and two suits of clothes. The rock used to break the door was found inside the store, where it landed after being hurled through the panel.

"LEST WE FORGET"

Five short years ago the entire country, Chicago, West Englewood, was turned into a pandemonium of joy because the signing of the scraps of paper necessary to stop the bloodshed overseas had taken place. The war was over. Our "boys" would soon be coming home. Happiness knew no bounds, and vented itself in a demonstration made even more extravagant because of the reaction from the grim seriousness that had characterized the war-time state of mind.

Five short years ago—and yet it seems a long time. So rapidly do conditions change, and so quickly do we adjust ourselves to new circumstances, that for many of us war-time experiences have receded into the dim subconscious before pleasanter memories, either recent or from days before the war.

Armistice Day, Sunday, will be the occasion for recalling many of those forgotten things, remembering things that have merely slipped us, along with those bitter or tragic memories that we have sought to put from us.

The widespread inclination to "forget the war" cannot be done, and should not be if it could. In the first place, "the" war may be over, but war is not. In a complete forgetting we would fail to learn the lessons that the world war should have taught; lessons that should make us bend every effort toward finding a saner way to right wrongs than through perpetration of even greater crimes.

The second, a more immediate and poignant reason, is that for many, in some cases those who are near and dear to us, even "the" war is not yet over. And will never be. In government hospitals and under private care there are countless men who are ill, or who have never recovered from wounds received during the war. In every walk of life can be found men who are more or less incapacitated for their economic battle with the world as a result of the supreme conflict; men who will never be able to attain the place that would have been theirs had they not given some of their best years and strength in the service of the nation.

Thinking quite without sentiment, the care of these men is our responsibility. We cannot conscientiously shirk it, if we would. The government has attempted to shoulder the work. It has done much. But there are many things which a vast organization cannot accomplish. These things the service men's organizations are trying to do. The Sullivan post of the American legion and other service men's associations of the district are doing much to help their "buddies" in difficulties. If we do not, or cannot, personally aid in the care of our disabled war veterans, then we should lend assistance to the organizations that have fixed upon the duty—or privilege—as their chief activity.

The observance of Armistice Day should help us to remember the debt we owe to those who gave their all.

A SUBWAY IMMEDIATELY

After some twenty years of political palaver about subways, wherein reams of maps and plats, that never progressed beyond a network of pretty green, red and black lines, have been drawn up, now comes the Chicago Municipal Subway company with an offer to start digging, at once, a comprehensive subway system to meet the needs of Chicago and its suburbs for a rapid transit system, a considerable portion of which is to be used by 1927.

Further, this company asks the city for no money, nor the assumption of any liability.

Its backers say of the plan:

"This company offers to build for the city a modern comprehensive passenger subway (the first step of which will be from fifty to one hundred miles) on a fair basis of compensation—and under the direction of a subway commission of five men, the majority of whom shall represent the city.

"Under this plan the city will not be called upon to issue any bonds or certificates or to levy any taxes or raise any monies. Yet the subway will be owned by the city as rapidly as constructed. If begun before January 1, 1924, it can be completed and in operation by 1927.

"The financing will be done through a syndicate of Chicago banks on a unique plan originated by this company.

"Inasmuch as the city is not asked to pay any money or assume any liability, no legislation or referendum will be necessary, hence the delays of that sort, necessary in other plans, will be avoided.

"The subway fare will be no higher than present fares and will carry no profits to private capital and no amortization charges. Ultimately it will produce a surplus which can be used for a reduction in all fares or turned into the city treasury to reduce taxes, as is done in other cities.

"It will provide real rapid transit and reduce the time of getting down town by half.

"Co-operation with other modes of transit by transfers will be perfectly feasible.

"It will enhance the value of every foot of property in the city.

"It can be built in conjunction with lake front improvements, utilizing the soil taken from the subway for filling in the lake front.

"Its construction will call for an army of men, thus greatly benefiting all lines of labor and will require large amounts of brick, stone, steel, cement, etc., thus greatly benefiting all lines of trade."

While, at first glance, the proposal seems foolishly idealistic, its backers are not philanthropic in any sense, but offer the city a much needed improvement on a basis profitable to them. The promoters are a group of bankers and contractors in business to make money, but in so doing they are offering Chicago a release from the antiquated traction facilities that has been strangling her growth.

The difference between this plan and one that might be evolved by a political machine is that, if handled by the company offering the plan, the subway should be built quickly and efficiently. Chicago has had, in the past, not merely tastes, but long draughts of the corruption and graft that may result if it is handled by politicians.

The plan is in the hands of Mayor Dever now. All that is required to get the work under way is the passage of enabling ordinances by the city council.

Aldermen of Southtown, John H. Lyle, Donald S. McKinlay, Thomas F. Byrne and Patrick Ryan, are called upon to remember the vexatious delays that their constituents are called upon daily to make in getting to and from their work in the loop before voting against such an ordinance.

Half an hour by elevated from Halsted and 63rd to the loop. Over an hour to cover the same distance on the surface cars. The same number of miles in New York or London may be covered in one-third the time by means of the subways.

So vast a project as the Chicago subway system should not be turned over to a private enterprise without the most serious consideration, but the project offered us looks good. It should not be discarded because a few political leaders do not want to forfeit the chance to make big private profits.

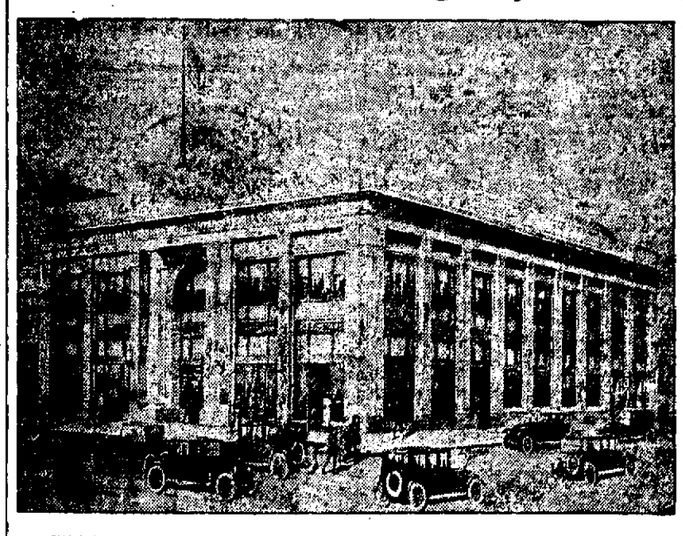
Two New Bank Buildings Will Soon House Growing Depositories



Still in the form of architects' plans are two buildings to house financial institutions that will materially improve the aspect of West Englewood and Marquette Manor. The remarkably rapid growth of these two institutions is an index to the progress of the community.

Pictured above is the new Ashland-Sixty-third State bank on which construction will commence next spring at the corner of Justine and 63rd sts. The bank, which has as its president, E. A. Curtis, was organized about a year ago with Herman Daum, sr., as vice-president, W. F. Campbell, as second vice-president; John Kollman, cashier; and A. A. Brachmann, assistant cashier.

Below is a cut of the Marquette Park State bank as it is destined to appear on Western ave., a short distance south of 63rd st., on the west side of the street. It is planned to break ground about the first of the year.

The officers are: William Brietzke, president; Michael Maisel, vice-president; and Brendan M. O'Connell, cashier.

Because of the many local men who are connected with it, West Englewood will be interested in the opening of the new Highland State bank on November 17. The new building is located at Ashland and 79th. The officers are: president, John Bain; vice-president, Michael Maisel; cashier, Hugh A. Stewart; and assistant cashier, Joseph Flaherty. Additional directors are: August Berke, P. E. Callaghan, E. J. Meyer, E. F. Wiegel, E. C. Swetland, George Maisel, and Elbert E. Elmore.

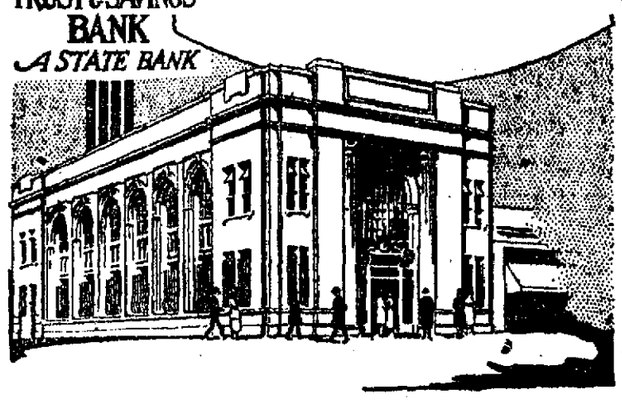
Practical Convenient and

A checking account at this bank is a handy thing indeed. It enables a person to keep accurate accounts, and to know just where every penny has gone.

At the same time, it has a decidedly practical side, for it provides a safe and convenient way of transporting funds, and an automatic receipt for every bill paid.

WEST ENGLEWOOD TRUST & SAVINGS BANK
A STATE BANK



MAN SEES WHAT HE WANTS TO SEE

Just now there is a very large amount of money being transferred from bonds and mortgages to homes and apartments, because the saving people find property more profitable from a "usage" standpoint. This leaves a large amount of unabsorbed bonds, which can be purchased for conservative investment.

Naturally, the people who have large bond issues want to turn the money back to their own coffers.

Look back of the surface. Business conditions, including the building business, are good, on as stable a basis as your wages or salary. You would be justified in taking some of the good things of life now at hand, because the leading economists, not swayed by a particular hobby, say that business is cautious and conservative to a degree never before known in such prosperous times. This augurs well for the future.

LINDLOOM ANTICIPATING VICTORY OVER HYDE PARK

BREAK JINX OF TIES BY WIN OVER HARRISON

Choosing of Title Holder for Year Will be Puzzler for Judges

Lindblom gridders expect to win their second league victory Saturday when they clash with the Hyde Park squad at White City in their final scheduled battle of the season. The Stony Island ave. eleven has not displayed the same success they have had in previous years and Englewood's defeat over them Saturday lowers their chance of victory over Lindblom.

Coach Moore's warriors broke away from their string of ties Saturday by rolling up the biggest score yet seen in south section grid tilts, swamping the lowly Harrison Tech squad 40 to 0. Undoubtedly this decisive victory has increased the confidence of the local team.

The game will be staged at White City park Saturday at 2:30.

Lindblom's three ties have complicated the south section title race and members of the football committee of the high school league will face a problem when it comes to picking a team to clash with the north section champs for city honors. It has not yet been announced whether a point system or a percentage basis will be used to choose the winners, but in either case the picking of one team will prove to be a difficult matter.

If the point system is used, four teams, Lindblom, Tilden, Englewood and Power, are tied for first place. This system gives two points for a victory, one for a tie and none for a loss. Lindblom's three ties and a victory give them five points and Tilden's two wins and a tie give them the same number of points. Englewood and Power have a like amount.

Should both Lindblom and Tilden win their Saturday game, both will have seven points. Tilden will then have one more game to play, a postponed battle with Hyde Park, while Lindblom will have finished their schedule. If Tilden scores a victory over Hyde Park the problem will be solved, but in the event the Stony Island ave. squad wins, the race will result in a triple tie.

The percentage system will result in both Lindblom and Tilden being tied should these schools win their remaining battles.

WEST ENGLEWOOD A. C. BESTS HIGHLANDS

Playing in the mud at 62nd and Robey sts., Sunday, the West Englewood A. C. eleven downed the Auburn Highlands, 13 to 0.

A short pass from Johnston to Spoo, who ran thirty five yards down the field, counted the first touchdown for the West Englewoods.

Spoo came to the front again in the third quarter, when he reeled off a forty yard end run.

A tight game is predicted for the West Englewoods Sunday, when they meet the Chapman A. C. The game will be played on the Robey st. gridiron.

TILDEN TAKES LEAD IN SOUTH SECTION RACE

A fumble spilled Bowen's hopes for championship honors and Tilden took the lead in the south section race by downing them, 13 to 0, at Comiskey park Saturday.

The South Chicagoan's bobble came in the third period. Bowen was pressed back near their own line and danger. He stood on the ten yard marker and when the slippery oval came shooting back it slid through his fingers.

A Tilden lineman fell upon the ball on the four yard line. Scardine took it across the line on a run around end on the next play.

Bowen showed a determination to stage a comeback in the final session. They tore through the Tech team's forward wall and made two first downs in succession. They appeared to be marching for a sure touchdown and varied their attack with a forward. It was this forward that allowed Tilden to score a decisive victory over the South Chicagoans.

Lineup:

Tilden (13)		Bowen (0)
Geyer, Weiss	L.E.	Sikorski, Case
Hellman	L.T.	Harper
Lischer, Butler		
Farrel	L.G.	Cox
Schulze	C.	Thompson

Cusner	R.E.	Burke
Greene	Q.B.	Motejowin
Paprales		Hackett
Scarpine, Lum	L.H.	Gordine, Greenwald
Lutz	F.B.	Power

Englewood will play Tilden's foe for next Saturday. The game will be played at White Sox park.

INUNDATE HARRISON WITH SCORE OF 40-0 AT NORMAL SATURDAY

LINDBLOM OUTPLAYS RIVALS ON EVERY TURN; HEIDORN MAKES FOURTEEN POINTS

Blocking punts, intercepting forwards, and taking advantage of every Harrison bobble on the slippery field at Normal ball park Saturday, Lindblom finally hit their stride and clipped through the Tech eleven, 40 to 0, for their first victory in four starts in the high school league race. Their three other games resulted in ties.

Heidorn's playing was the feature of the game. He scored fourteen of the points and led in the offensive work. Lindblom completely outplayed Harrison and never was in danger at any time.

Coach Moore's squad made their first tally soon after the game opened. Heidorn returned the kickoff twenty yards to his own forty-five yard marker and, alternating with Antovides on line smashes, advanced the ball ten yards further. A lengthy pass from Capt. Rouse to Crane, who dived fifteen yards to cross the goal line, counted the initial points.

A blocked punt paved the way for Lindblom's second touchdown. Harrison was in possession of the ball on their twenty yard line. They made three futile attempts and then on their fourth down Hruby prepared to kick out of danger. A Lindblom lineman tore through the line and broke up the play. Heidorn recovered the ball and on the following play, a *delayed double pass*, Antovides to Heidorn, the pigskin went across the line in Heidorn's arms.

Holding a decisive advantage Coach Moore relieved his first string men and sent the second squad in.

Harrison attempted to stage a comeback in the second half by opening up with a barrage of long passes. Their attack was short lived for Antovides intercepted one of O'Neil's heaves and cut down the side lines for eighteen yards.

He then smashed off tackle for an additional eight yard gain and from that point Conley scampered around right end for the third tally.

The count was run up to 25 by Lindblom shortly afterward when Connell blocked a punt and recovered the ball on Harrison's twenty-five yard line and Antovides pushed through to take the oval across.

Lewandowski counted by intercepting a forward pass and sprinting twenty-five yards down the field.

Lindblom's last touchdown was made when Capt. Rouse intercepted a pass and brought the ball for Harrison's twenty-five yard marker. A pass, Rouse to Crowe, advanced the ball fifteen yards and Heidorn, who re-entered the fray, took the pigskin over on three successive line drives.

Lineup:

Lindblom (40)		Harrison (0)
Crane, McNamara	L.E.	Walshwilus
Connell, Harmon, McFattridge, Faudell	L.T.	Morgan

SPEEDBALL VICTORY FOR RASTER SCHOOL

Only one game was played in the speedball tournament at Ogden Park last week, Raster defeating St. Brendan, 15 to 3. St. Rita won on a forfeit when the team from Sacred Heart failed to appear. The games between Wentworth and Copernicus and Tilden Prevocational and Altgeld were postponed.

CANTON TEAM BREAKS CARDS WINNING STREAK

The Canton Bulldogs broke the Cardinals winning streak at White Sox Park, Sunday when the slippery field hampered Paddy Driscoll and the visitors handed them a 7 to 3 defeat. Both teams held a perfect record of five victories and no defeats before the game begun, but the triumph of the invaders put them into top position in the National Professional league standing.

Lineup:

Cardinals (3)		Canton (7)
Kiley	L.E.	Chamberlain
Montgomery, Leonard	L.T.	Lyman
Zola	L.G.	Comstock
McInerney	C.	Conover, Osborne,
Buckeye	R.G.	Williams
B. McMahon	R.T.	Henry
Anderson	R.E.	Carroll
A. McMahon, Driscoll	Q.B.	Robb
Driscoll, Koehler, King	L.H.	L. Smyth
Mohart, C. McMahon	R.T.	Grigg
Koehler, Crangle	F.B.	Jones

The Cardinals are expected to stage a comeback into the win column Sunday when they clash with the Hammond, Ind. eleven. Hammond is not rated as strongly as some of the squads that the Cardinals have defeated earlier in the season and although Driscoll and his crew do not expect an easy game they are confident of victory.

"BOOSTERS" HIGHEST IN WOMAN'S BOWLING

The Daylight Recreation Woman's Bowling club met at 2:30 o'clock Monday afternoon at Marzano's alleys. Highest scores were won by the Boosters, second by the Rinkeydinks, third by the Scotties, and fourth by Polly and her Pals.

ST. RITA WINS FROM LOYOLA IN CLOSE BATTLE SATURDAY

VICTORY PLACES LOCAL SCHOOL SECOND IN LEAGUE; FIGHTING FOR LEAD AGAIN

St. Rita took second position in the Catholic league race and knocked *Loyola Academy from first place* by downing the northsiders, 6 to 5, at St. Rita's gridiron, Saturday.

The first two quarters were scoreless, but Loyola broke into the point column in the latter part of the third session when Capt. J. Mooney scored a dropkick from the twenty yard line.

They maintained this three-point lead until the fourth period when a blocked point gave St. Rita a chance to score. Loyola was hard pressed by the local parochial eleven, who were determined to tally, and they attempted to punt out of danger from the ten-yard line.

Locke tore through the line and broke up the play. *He fell upon the* ball and Murphy took the oval across the line for the winning points on the next play.

Loyola rallied and pressed close to St. Rita's goal with one minute to play. They lost the ball on downs and St. Rita was forced to kick behind their own goal line. Coach Shaughnessy, realizing that a fumble would possibly cost the game, took out McNichols and sent in Mullins with instructions to ground the ball when he received it, giving Loyola a safety. This defensive move kept St. Rita out of danger for the final minute.

Lineup:

St. Rita (6)		Loyola (5)
Boyle	L.E.	Kullman
Holderman, J. Kelley	L.T.	J. Mooney
Locke	L.G.	O'Connor
Hamilton	C.	Powers
Evans	R.G.	McCoy
Clancy	R.T.	Hardy, Jans,
Riordan	R.E.	B. Mooney
Mc Nichols, Mullins	Q.B.	Lyng
Kennedy	L.H.	Lawler
Murphy	R.H.	Boex
Rooney, Kelley	F.B.	Mc Kenna

St. Cyril's eleven will visit St. Rita, Saturday. St. Cyril occupies a low rung in the league ladder and are not expected to have much chance against St. Rita, who are anxious to climb back into first place in the race for the parochial title.

YOUTHFUL CHECKER PLAYERS IN TOURNEY

Checker players under 16 years of age are registering with F. T. Turner, athletic director at Ogden Park, for a tournament to be held beginning Saturday.
